Thursday, July 29, 2010 • 11:00 A.M.

Lunch on Grounds

88 Head of High Grade Dairy Cattle

40 Holstein milk cows, 4 Brown Swiss Holstein cross milk cows, 2 Red Holstein heifers due in Sept., 2 Brown Swiss Holstein cross bred heifers, 4 Bred Holstein heifers, 11 Holstein short bred heifers, 19 Holstein heifers (7-13 mo. old); 4 Holstein heifers 2-3 mo. old), 2 Holstein heifer calves. This is a very good herd of dairy cattle that have been well bred for production. Current DHIA RHA is 18,871 m 3.9% 738 lbs. B.F. w/no TMR feeding or BGH used. Top sires from Genex have been used for many years resulting in good uddered cows w/proper feet & legs as well. The herd is housed in a stanchion barn and are accustomed to being outdoors the majority of the time. This is a very young herd w/27 cows being in their 1st or 2nd lactation w/many productive years ahead of them. Herd health is excellent & current bulk tank SCC is only 150,000. The heifers are well grown & accustomed to being outdoors as well. All pertinent DHIA, SCC & breeding info will be available on sale day. If you are looking for top replacement cows or heifers, be sure to attend this sale.
